

# Llangollen Canoe Club - Peer Paddling

Peer Paddles are not Club organised (only Club organised activities are covered by the Canoe Wales Club associated membership and the insurance policy). Peer Paddles are not led, Guided or Coached and the Peer Paddle group may include members and non-members who may or may not have Canoe Wales/BCU membership.

Peer Paddle means that everyone takes full responsibility for themselves, their safety and their kit whilst behaving in a responsible way that does not put any other member of the group at risk. Nobody takes overall responsibility for the safety or wellbeing of the group. Group members are expected to look out for each other whilst staying within their own capabilities/limitations, but there is no onus on anyone to support anyone else if they do not feel confident doing so in any given situation. Organisers have no more authority over the group or responsibility for the group than any other participants.

Kayaking and canoeing are activities with a danger of personal injury or death. Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement.
