Please give plenty of notice for a hire request; bookings will not be accepted with less than two days notice. Ensure you have a suitable means of transporting equipment i.e. a roof rack and tie-down straps or inside a van; sea kayaks and open boats are to be secured front and rear to vehicle tie down points.

Please return equipment in a clean state and rinsed with fresh water to remove salt/water-borne infections. Return all soft kit in sets and hang it up in its correct place in the container.

Members are responsible for (will need to pay for or replace) any damage to or loss of boats or kit. Please report any damage you find to [Llangollencanoecub@outlook.com](mailto:Llangollencanoecub@outlook.com)
